Subject: Application for a Professional Internship

Dear Sir/Madam,

I am writing to express my interest in undertaking a professional internship at **Masaka Farms**. I am a **graduate in Food Science and Technology**, and I am seeking an opportunity to gain hands-on experience and further develop my practical skills in food production, processing, and quality management.

During my studies, I acquired knowledge in areas such as food safety, post-harvest handling, food processing, and quality assurance. I am eager to apply this theoretical knowledge in a professional setting that emphasizes sustainable agriculture and modern food systems, values that **Masaka Farms** is well known for.

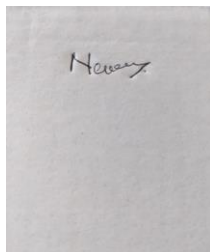

I am confident that my academic background, enthusiasm, and commitment to learning will enable me to make a meaningful contribution to your team. I am available for the internship as convenient for your organization.

Please find attached my **CV** and **academic documents** for your review. I would greatly appreciate the opportunity to discuss how I can contribute to your organization during my internship period.

Thank you for your time and consideration. I look forward to your positive response.

Yours sincerely,

Niwemuhoza Delice
